MEMORANDUM FOR THE RECORD

SUBJECT: Schroeder to Casey Letter on OPM Drug Policy
Guidelines

1. By letter dated December 8, 1986, Representative Schroeder, Subcommittee on Civil Service, House Post Office and Civil Service Committee, wrote to the Director of Central Intelligence urging that the Agency not follow the guidelines "Establishing a Drug-Free Federal Workplace" promulgated by the Office of Personnel Management (OPM) on December 1, 1986. The guidelines would implement the President's recent Executive Order on drug and alcohol abuse by federal employees. The letter had the appearance of a form letter sent to the heads of all federal agencies.

2. After review of the letter and discussions with C/ALD/OGC, it was determined that no response was required.
